

Featuring a slender design and long-lasting LEDs as well as a range of user-focused features, Haiku Light delivers personalized, ultra-efficient lighting when and where you need it.

BRIGHT IN EVERY SENSE OF THE WORD

- **Finishes** — Brushed or polished metal, or black or white powder coat
- **Onboard Sensors** — Occupancy and temperature sensors
- **SenseME[®] Technology¹** — Use the Haiku Home app to group multiple lights, set a personalized lighting schedule, and enable Smarter Lighting, which automatically adjusts to maintain ideal room brightness, even as ambient light levels change
- **Controller** — Haiku Home app; handheld remote (included)
- **Color Temperature Shifting** — Premier Model features adjustable color temperature (2200 K – 5000 K); Select Model has a standard color temperature of 2700 K
- **Mounting** — Installs in 5 in. or 6 in. (127 mm or 152 mm) recessed housing, or 4 in. (101 mm) outlet box, or mounts directly to ceiling
- **Accessories** — Haiku Wall Control and Haiku Shallow Junction Box Kit. See respective spec sheets for details.
